Letter to File:

**RADIOLOGICAL ADDENDUM: FINAL PARCEL B TECHNICAL MEMORANUDM IN
SUPPORT OF RECORD OF DECISION AMENDMENT (TMSRA), HUNTERS POINT
SHIPYARD, SAN FRANCISCO, CALIFORINA**

The Final Parcel B Technical Memorandum in Support of Record of Decision Amendment, Radiological Addendum (TMSRA RA) was submitted to DTSC on March 14, 2008. The final TMSRA RA was reviewed by DTSC and the California Department of Public Health (CDPH). DTSC and CDPH determined that the TMSRA RA was adequate to move the CERCLA process to the Proposed Plan and Record of Decision Amendment; therefore, no additional comments were provided on the final TMSRA RA. DTSC and CDPH will continue to work with the Navy to ensure that all radiological issues are resolved and that the final remedy is consistent with CERCLA and protective of public health and the environment.
